DEAR NANCY,

THIS LETTER IS A RESPONSE TO YOUR REQUEST FOR INFORMATION TO SEC. 104(E) OF CERLA AND SECTION 3007 OF RCRA FOR ALBION-SHERIDAN TOWNSHIP LANDFILL, CALHOUN COUNTY MI.

AS I DISCUSSED WITH YOU ON THE PHONE ON 10-21-88, STEEL PRODUCTS WAS SOLD TO J. MILLER CO. APPROXIMATELY JANUARY 1985. IN TALKING TO THE PRESIDENT OF STEEL PRODUCTS HE INFORMS ME THAT THE YEARS HE WAS IN BUSINESS HE CAN NEVER RECALL ANY MATERIALS TAKEN TO THIS LANDFILL. AS HE ALSO STATES THE BUSINESS HE WAS IN WAS WELDING AND FABRICATION METALS, THEREFORE STEEL PRODUCTS WAS NOT A GENERATOR OF ANY WASTE OTHER THAN DAILY PAPER GARBAGE WHICH WAS DISPOSED OF BY ROCKWELL REFUSE SERVICE OF HOMER, MI. THE ONLY SO CALLED HAZARDOUS WASTE THAT WAS GENERATED WOULD HAVE BEEN PAINT FILTERS FROM A PAINT BOOTH. THESE FILTERS WERE BURNT IN AN INCINERATOR.

J. MILLER CO. CURRENTLY RESIDES AT THIS LOCATION AND IS A GENERATOR OF LIQUID INDUSTRIAL WASTE. (I.E) WASTE OILS, WATER SOLUBLE OILS AND WATER SOLUBLE CLEANING SOLUTIONS. THIS SOLUTION IS HAULED BY LICENSED WASTE HAULERS AND STATE MANIFEST ARE FILLED OUT AND PROPERLY FOLLOWED THROUGH.

IN CLOSING, WE AT J. MILLER CO. ARE VERY CONSCIENTIOUS ABOUT CONTAMINATION IN OUR COUNTY AND WE TAKE PREVENTATIVE ACTION TO KEEP FROM ENDANGERING OUR LAND.

PLEASE ADVISE IF ANY FURTHER INFORMATION IS NEEDED AT THIS TIME.

VERY TRULY YOURS,

RANDY NEVINS
MAINTENANCE SUPERVISOR
